2. Representations and Warranties

You represent and warrant that for each Submission:

- all information you have provided about the Submission is, to the best of your knowledge and belief, accurate *
- if the Submission has more than one author, all co-authors have approved the Submission and have read and agreed to the terms of this License *
- if the Submission is based upon work that has been sponsored or supported by an organization other than UBC, you have fulfilled any right of review and any other obligations required by the agreement with such sponsor or supporter *
- the Submission is not subject to any publication delays, except those approved in accordance with the cIRcle Digital Repository Policies *
- to the best of your knowledge, the use and distribution of the Submission as contemplated in this License will not infringe the copyright or any other intellectual property rights of any other person *
- if the Submission contains material for which you do not hold copyright and which is not in the public domain,

(i) you are validly exercising an exception to copyright infringement in accordance with the Copyright Act, or you have obtained the permission of the copyright owner(s) to use the material as contemplated in this License and retained records of such permission; and

(ii) that such third-party owned material is clearly identified and acknowledged within the text or content of the Submission *

- the Submission does not contain any confidential or proprietary information belonging to others *

- the Submission does not, to the best of your knowledge and belief, contain any libelous or other unlawful matter and does not violate anyone's right to privacy *

8. Release and Indemnification

By clicking "I Agree" below you hereby confirm that you have read, understand and agree to the terms set out in this License. This License may be delivered and/or stored by electronic means, and such electronic copy delivered to and stored by UBC will be deemed to be the official record of this License.

- I Agree
